what if there was another mooses very different from the one we know according to tradition mooses wrote the first five books of the bible he is depicted there in a surprising way with and against god with and against his people bringer of the tablets of the law which he breaks a stuttering prophet guide to a promised land entry to which remains forbidden to him and dead in an unknown tomb highly confusing for those who imagine a mooses carved out of a single block by way a series of possible portraits including one of a female mooses jean christophe attias follows the metamorphoses of the hebrew liberator through ages and cultures drawing on rabbinical sources as well as the bible itself he examines the words of the texts and especially their silences he discovers here a fragile prophet teacher of a judaism of the spirit of wandering and of incompleteness receive and transmit listen even when the message is confusing insistently question especially when there is no answer and always remain free this seems to be the judaism of mooses a judaism that speaks to believers and others to jews of course but also far beyond them inviting its hearers to have done with tribal pride the violence of weapons and the tyranny of a special place

despite hundreds of years that have passed by prophet muhammad pbuh remains fresh in the hearts and minds of millions of people the luminous life of our prophet is a book which aims to keep fresh the noble personality of the last prophet by giving insights into his family as a loving father and husband and his social life as a leader and mediator and his spiritual life as a devoted servant of allah the almighty
